May 2020

We have created a google drive foler which contain the notebooks, video and the datasets.

Click here: Link to the complete google drive folder.

We have organized the folder into the following subfolders and files:

1. Datasets (Folder)

2. Deep Learning Baselines (Folder)

3. Non Deep Learning Baselines (Folder)

4. Neural ODE (Advanced Deep Learning Method) (Folder)

5. Video Presentation (mp4 File) Link to video

6. Presentation Slides (Google Slides)

7. README file having instructions to run code or access animations (File)

There is a README file for your benefit.

Thank you!
